### RESULTS

#### Individual Tutoring

- Over 95% of the students that Dr. Carlin works with on an individual basis for test prep increase their composite ACT and SAT scores.

#### Junior Class Results (Class Composite Scores)

- **School A** (scores not officially published yet) – group composite increase from 17.6 to 20.0 (cohort group, pre and post test data)
- **Lake Michigan Catholic** - group composite 24.2– highest ever school group composite score
- **Hartford High School** – group composite score 19.6– highest ever school group composite score
- **Grandville High School** – contracted to work with 125 Junior class students
- **The University of Notre Dame** – contracted to work with TRIO Program and ND Talent Search and Upward Bound Program on ACT Prep
